“ When Paul & Patty pastored the Lebanon Wesleyan Church, they lived in the parsonage just across the parking lot. I used to tease Patty about walking across the lot, in sandals in the snow! They were a great couple and I'm so glad they are together once again. Patrik, Philip, Darren, Sean and families, I'm so sorry for the loss of your mother. She was a great lady!!

“ Both of your parents were genuine inspiration to me for ministry during my formative years in the camp setting. I benefited from their ministry. I did ministry along with them as a camp counselor and as a pastor on the district. And I was able to have many fun memories with you boys through our camp years. My condolences on your loss. She lived well in life and in faith.
