“ I am saddened by the loss of Patty, who was a dear friend. For years we shared our literary aspirations at our weekly Writer's Club. Her skillful writing, wit, and humor always cracked us up as she read her stuff to us. I loved her for her kind, sweet, easy-going nature that gladdened our days, her fierce love for her family and cats, all children everywhere, and her devotion to the Lord and the church. She will be missed.

“ Debby, Becky, Suzie and Mike, I am so sorry. I know you will miss her so much, as will I. We will have so many wonderful memories of the fun times we had together playing things like Canasta, Mad Libs and Dictionary Game. We would laugh until we cried. I love her so much and I love you so much. And to you Patty....tag..you're it!
Love, Sis

“ Pat was a wonderful aunt and friend. She could always make me laugh or smile when she could tell that I didn't want to. Pat's face lit up when she talked about her cats, gardening, books, friends or family. You will be missed deeply. I love you, Your neice, Lindsey

“ I remember the good old days of going to Patty's office in Decker Hall with Mike. She was always happy to see us and always saw to it that we both got a pop from the Coke machines. Something as simple as this might not seem like much, but to a kid it meant everything. Patty was a sweet and kind person and she will be missed. Our thoughts and prayers go out to the Gallagher family during this time of sorrow. Pete & Hope Dodd

“ I ran into Patty about a month ago after several years. I was very surprised that she still remembered me after so long. She was very sweet in asking about my children and how I've been. My condolences to her family on such a great loss.
