“ I have so many wonderful memories of Paul through the years. He was a very giving, loving, and spiritual man. He always had a smile, hug, and kind word for everyone he came in contact with. He would tell you, "I'm a hugger". Paul was an adopted Grandfather to my children coming to Grandparent's Days, sitting through countless ball games/school programs, driving back and forth to Ohio to visit and even traveling with my boys to New York to the Little League Hall of fame, all without complaint. As my mother's health began to falter, his love for her did not. He continued to care for her until she entered the nursing home. Always being the first one to get there and the last one to leave. Thank you Paul for teaching so many valuable life lessons to those who were fortunate enough to know and be part of your "family". Your work here is done but the memories you left will never be. Rest sweet man you have more than earned it!

“ Paul had a great sense of humor. I'll miss the "HEY DAVE" when i  
would go and visit. I will miss him. May the peace of my Lord Jesus  
be with you all.
