“ My memories of Dave go back to grade school and neighborhood ball games in the field, on 32 nd, next to Anaconda. I lived across the street. We had some really good old times growing up. I am sure he is in a better place now with his parents and son. Kathy know that he is missed by many people from times of long ago, and Dave is not forgotten. So sorry for your loss. George

“ I was sorry to hear of Dave\'s passing. I recall many long hours of playing baseball with him in the field next to Tim Tooley\'s house and basketball next door at the Dickey house. He was a great guy and, although I hadn\'t seen him for many years, I still have fond memories of him. My thoughts are with his family.
