“ *Grandma,*

You have been such an inspiration in my life. You never gave up on me and loved me unconditionally. I hope to one day be half the grandmother you have been to me. You will never be forgotten and always be loved. I know you will find all your loved ones in Heaven, give a special hug and I love you to Grandpa and Kyle for me.

“ Mommy, I miss you so much. I don't know how I'm going to make it without hearing your voice every day. I knew this day was coming, but it sure does not make it any easier; one thing that is helping me is knowing you are not in pain anymore. Your furbabies are doing well, no need to worry about them. Please give daddy hugs and kisses from me. I know one day, I will see you both again. Until then, take care of yourself through them Heavily Gates. You will always be my Angel from above.

Love you,
Lena
