“ *To all the family. I have only known Peggy for about a year. She attended our church. My memories of her are that she was very kind and caring. Just recently she spoke to me and expressed concern about my wellbeing. I've heard her express in church of her love for God and for how he helps her every day. She will be missed in our church family. I know you will miss this wonderful lady too. My thoughts, prayers and sympathy goes out for all of you.*
