“ I saw Peggy one time after our high school graduation. I got to talk with her briefly at an Anderson restaurant while we were enjoying meals with our families. I thought Peggy was a sweet, sweet person in high school, and I was blessed to have the opportunity to be in classes with her in high school and to meet her in my lifetime. I am so sorry that I was unable to attend the visitation or funeral service. I was working at the Indy Home/Landscape Show Saturday. However, I want to extend my sympathy and prayers for the dear family and friends that Peggy leaves behind.

“ I've known Peggy since about 1959 when my father became the pastor of the Markleville Methodist Church where she and her parents and brother Mike attended. I have fond memories of attending church with the Heffernan family and how they were such a vital part of the Markleville Church. Peggy was such a kind, unselfish, and caring person who loved her husband and family dearly. We will all miss Peggy. Our prayers are with her husband Jim and the extended family.
