“ *Penelope was one of our Residents here at Longfellow Plaza. She brought so much joy to the staff, aides, and residents. Tammy her aide, and her brightened up our days with the fun they brought, by dressing up together for Holidays and the everyday fun they had together. Penelope worked hard to make Longfellow look good with her flowers and plants. We put a garden in and she was the inspiration for it and it will be named Penelope's Place. We feel the loss of Penelope here but her touch remains.*
