“ Eric & the rest of Penny's family. I am so sorry for your loss. Penny was a joy to work with. She was one of the good ones at Marsh. She had a memorable laugh, spoke her mind and helped anyone she could. Even when she was dealing with various issues, she was always willing to help others and provide advice to those who asked. She could dish it out with the best of them as well as take it. She was a pleasure to know and I think I am truly better off for having known her. She was fun to work with and I often asked her for her opinion or to take a look at what I had or thought I had figured out. I tried to get her to work Sunday Mail but she'd just laugh at me and let me know --there was no way. Prayers are with you and her. Randy Murdock

“ Nobody will ever call me "TOOTS" again, without Penny being first on my mind. She was a fireball, and determined to do things her way. It was an honor to have gotten to know her, share life experiences with her and I will truly miss her. My thoughts and prayers are with the family as they struggle to adjust without this wonderful woman in their lives.

*Rest well my friend - you deserve it.  
Love Ang*

“ To all the family members of Penny:  
May God's guidance be upon each of you during this time of loss. May he wrap his arms around each of you, bringing you comfort and peace. Know that Penny will always be in your hearts and mind. She no longer is in pain, she suffers no more. She is at peace and walks in freedom from pain.  
Before walking thru the gates of heaven she turned to each of you and smiled a smile of peace, waving to all saying "be not sad for me, as I now walk free from pain, I shall go before you and prepare with Chris a mansion for you".
