“ I'm so sorry for your loss! I know it's been a very long time but I want you to know that if there's anything I can do for you and your family just let me know. I will always be here for you, Dawn, if you ever decide to reach out. I can't imagine what my life would be like without my Dad (even though we may not have him much longer), even at my age(LOL) I'm still a daddy's girl -- and my heart, thoughts, prayers, and blessings are with you! I love you Dawn and always know that I'm here for you. My heart goes out to your whole family and circle of friends that will be there for Nancy.

“ *When Phil would get off his stationary bike at Liv Rite he always came to the glass divider & would blow Nancy a kiss. What a precious memory I will always think of when I think of Phil & what a devoted husband he was. He is already missed so badly by all who knew him. Sending our love, David & Linda*
