“ *Phil, you will be missed very much by me. You were a best friend, you showed me, and taught me so much about the world I would have never known if it weren't for you. I miss you more than you could ever imagine. You were a wonderful person with a caring heart. I know you are in heaven now. When it's my time to go, I'm sure we will be reunited. Until that day comes I'll be missing you, Love, Patty.*
