“ I am sorry to hear of Phyllis\death. She was a classy lady whom I enjoyed golfing and talking with. I loved her sense of humor and will miss her, as will so many Edgewood members and friends. I would like very much to contribute to a tree fund in her memory. I\m sure there will be a fund started, but if not I will be happy to do that. We will consult Dick as to the location he prefers. With sincere sympathy. Julie Armington

“ Phyllis & Earl Ball were very special to me. I worked for Earl 1971-77. I saw Phyllis just a week and a half ago at Matt Heineman\s wedding. I remember her love of life - golfing, her family, friends, etc. So glad our paths met. Such wonderful memories. They both touched my life and will always hold a special place in my heart. Heartfelt sympathy to your family.

“ We wish to express how much our good friend Phyllis will be missed. Among the comments that Phyllis made the last time I talked to her was that reading Jo\s newsletter was just like getting a real letter from her. I will always feel close to Phyllis when ever I read Jo\s newsletter. It was a real blessing to have Phyllis as a friend.
