“ *What a wonderful feeling Mom that you had found your peace you had prayed for. This peace has not left our home and has not left our hearts as we know you were walking with our Lord and Savior long before your passing. We will grieve, but not the way most will grieve as we know you are now sitting beside our Lord and you are visiting with your loved ones who have passed before us. We love you Mom and you will forever be in our hearts. You have shown us all how to walk with the Lord and taught us the way to feel the of love of our Lord and Saviour.*
