“ Jenny, Sandy and all of the Grieb family. Our deepest condolences to all of you. We had the pleasure of meeting Phyllis at her grandson Cory's home in AZ. We are the parents of Natalie Cory's wife. I am so happy that I had the pleasure of meeting Phyllis and that my daughter became part of her family. In the few short hours that we spent together we could see the love and spirit of family within Phyllis and Sandy. Once again, we are truly sorry for your loss and we pray that God will give you strength to go on without this special lady whom I'm sure is watching over all of you and will continue to do so until you are reunited with her in heaven. Hopefully, someday we will be able to meet the rest of her family. God be with you.

“ Sande, Cindy, Shelly and Jenny, My deepest sympathy and prayers. May God hold each of you in His comforting arms and fill you with memories that keep Phyllis alive in your hearts. I think of the youth group from 5th Street with fond memories. Your family, the Gerard family and my own family shared so much in those days. You will always share a place in my heart. May the Blessings of our Lord and Savior always be with you all, Donita
