“ Mom you always made me feel like I was part of the family and included me in everything hell you even passed me a shot on my wedding day. I'll never forget all your crazy antics, all of our jokes on Lucas, and just showing up to your house to talk because I didn't have a mom 75 miles away from home. You were always there for me and the kids. I'm going to miss you alot. - Mandi and the kids

“ Oh how she hated being called Raemona. My dad when he was alive and saw her at Carquest he always aggravated her when he went there. I'm sure he greeted her in heaven with RAEMONA! Will miss you Mona my dear friend. We had many laughs together. One of the best was when she rode shotgun with me in my big truck July 4 midnight parade and the tranny blew. We smoked the whole parade out and laughed our butts off. Good times my friend. RIP dear lady, your work here is done. I'm sure I'm not far behind you, Thelma and Louise will ride once again!

“ So sorry, she, I had lots of fun especially when she had naughty adult part, she went to the other room so we put a vibrator under her seat cushion. I would do anything to see her face again. R.I.H. you will be missed.
