“ *Dear Pat and family: Just a note to let you know that we are thinking of you. Years ago, when my son Kyle was very small, Ralph would call him "ornry" and Kyle would call him that nickname back. It was a special bond between us that lasted for years. Ralph had not seen Kyle for a few years and our paths once again crossed at a Jazz Cafe event at Pendleton High School. Kyle and your granddaughter, Jennifer, are in the same class. He asked me how "ornry" was and he was quite taken to see that the little boy was all grown up. Thank you for sharing Ralph and some wonderful memories with our family. He will forever be in our heart. Keith, Bonny & Kyle Clark*

“ I work at PayLess. I always liked Ralph,he was a sweetheart of a man. I will never forget how he always called me Linda. I never could figure out why,but he could look at a piece of paper with my name on it and still call me Linda. I must have reminded him of some other employee,or maybe he just liked that name better than Sherie. Thank you for letting him be a part of so many peoples lives, he will be deeply missed.

“ Dear Pat & Family I worked for Ralph several years ago and he was a caring man. He never asked any more form you than he would do himself. When he retired they lost a one of a kind man that did his job to the fullest. He was an easy person to work for but you did work. My sympathy to you and your family. Gene DeVaney

“ Ralph possessed all the qualities of a perfect father. He was proud of all his family. It was a blessing for me over the years to learn how devoted and deeply he loved and cared for all his family. He honored his wife and provided a solid foundation for all his children. Mitch, Marty, and Matt please accept my deepest sympathy for your loss. Your father was a great example of how to love and raise a family. Semper Fidelis Ralph! Chris King
