“I grew up next door to Lee in the country. My brother Mike, who passed away 5 years ago, Lee and I played baseball or basketball nearly every day in my backyard. We carried pop bottles down to the country store to buy bags of penney candy together. His sisters, Lavone and Connie babysat for us often. They taught me how to set my hair, put on makeup and how to dance. I loved them all and cherish the memories they gave me. We moved to the city in 1962. It wasn't long before Lee's family moved just down the street so once again, we were playmates. We went sledding at Edgewater park, fishing and that was our new ball field. Theresa, I wish that I had gotten to know your family. I was so sad to hear of Lee's passing then read on to see that Lavone and Connie had passed also. God bless you all during this time of loss We will keep you in our prayers.

I'm Lavone's youngest, reading this brought so much joy to my heart! I would've loved to have seen mom, my uncle & aunt as kids. All 5 of us girls love to dance & I became a beautician so hair & makeup was in my blood. Thank you for sharing this Diana it truly filled my heart!
