“ Jan, Debbie & I are so sorry for your lose. Ralph was a good person, and I enjoyed all the moments we shared together. I particularly recall the times we would travel to Peoria, ILL and rummage thru the "freebee" warehouse. We always returned with a lot of stuff. I am also grateful that I ran into the two of you at Hobby Lobby. It was good having lunch with Ralph at King Gyros. He actually introduced me to that cuisine. With our deepest sympathies,
