“ *First, my sincere condolences to the entire family for the loss of your loved one. My brother sent me the link to the obituary because he believes we may have a connection that goes back to 1963. I'm not sure this request will find you, as it is 9 yrs since his passing... but if Mr. Sparks was a military police officer rank Lt Cpl in 1963... Please contact me, help me end a lifelong search.*

“ My deepest sympathy to Ruthan and the surviving family. I will always have fond memories of my days of working with Ralph. I enjoyed the bowling years as well. I hope you can get through this time and be thankful for the years that you had him for a Husband, Father, Friend, or whatever category fits you. Ralph was a great guy and will be sadly missed.
