“ *Jan and family, There are so many good memories of Randy that I cannot think of just one. I learned so much from him just by how he treated people and putting his employees first. He will truly be missed. Thank you for sharing him with Kroger and Pay Less. You will all be in my thoughts and prayers in the coming weeks.*

“ Dear Jan and Family: I had the distinct privledge of working with your husband and father for many years at various locations. I was always impressed with the professionalism that Randy brought to his job. No matter what his station was or position at work, he treated the job and his customers with the up most respect. It was only later upon the passing of his father, that I found out his father was also a firefighter like my father. I was proud to have my father at his father's services several years ago. We are so sad to hear of Randy's passing. I am sure any employee who ever came in contact with Randy over the course of their Payless experience will treasure it. He will surely be missed.

“ Dear Family, I am truly sorry for your loss. You are in my thoughts and prayers. Randy was such a gentleman and made friends with everyone so quickly. He was very generous with his time and mentored me during my assignment as a Pay Less Manager. One thing I so enjoyed is that he always smiled and had kind words to say...even on the roughest days. I know his smile and chuckle will be missed by many. I want to thank you for sharing Randy with the Kroger/Pay Less Family for all these years. He contributed so much and he will be missed by many. Please cherish the memories he gave you...and may Randy live in your hearts for many many years to come. Warm Regards, Susan

“ Randy will be terribly missed.He was a great manager but more than that, he always had a smile on his face that made you realize that life is too short and maybe we can all learn from him how to deal with the day to day chores with a positive attitude.
