Nice to see so many memories of Randy enjoying happy times and being with his family members. I remember fun gatherings with all the cousins at Grandma & Grandpa Matchett's in our early years. We've all gone in so many directions in our adult lives but the memories keep us connected. Rest in peace Randy. Your cousin Judy

“ Randy was my third brother & even though I lived states away, after I married, I always wished we could have been closer at heart. He had a big family & I never got to know all his children & grandchildren. In that I was the oldest, I was able to help my Mom care for my younger siblings & Randy needed a lot of attention after being diagnosed with polio. We didn't have a lot, but we had a big extended family & spent time with grandparents & cousins. My memories comfort me during this sad time. May Randy rest in peace. Pam
