“ To the Huff Family: I am sorry for your loss, for i too know what it feels like to lose a loved one. I know randy was a great guy from when i went to school with him, chris, and shannon. I am truely sorry that God choose to take him home earlier than we all expected. But...remember God has a reason and purpose for everything he does. All you can do is make sure that his memory lives on, and help those who need it the most. If you need anything I will try and help the best i can. I know his angel is watching over everyone in the family, my angel watches over me every day and keeps me from harms way. I know randy is and will do the same for his family. I am glad to have met and known randy and his family, and i am sorry for you to have to go through any of this for i know it is a really hard thing to endure, with some one so young and so very loved as he was. Again i am truly sorry for your loss & I will be praying for you all.

The memories of you will always be carried on those 3 sweet boys of yours and all whom forever loved you so very much. We now have one more great angel to watch over all of us. I will always believe in my heart we will all meet again and then live together forever. So till we meet again stay as sweet as you always were and live your life to the fullest in God's world. May God Bless you forever and watch over your sweet baby boys till you can be with them again. I love you Randy! And God Bless everyone in your family and help guide them through this sad time in their lives also. “ Well baby its been almost 4 days & its really startin 2 get 2 me, I just cant believe God would do this to our kids & me!! This has been the hardest thing I have ever been through & everyday its gotten harder, I either have Dallas askin questions about u or Devin whinin all day & yellin Dada cuz I know he realizes somethings wrong & he dont know where his Daddy is. We was suppose 2 be 2 gether 4 ever, remember when wed c lil old couples & laugh sayin thats gonna be us 1 day: I cant believe we didnt get a chance to make it to that. But at least I know ur watchin over the boys & I know youll take good care of us!! U always have & now I can say u always will! Randy, I dont care what any 1 says about u, u was the best father 2 our boys & the best fiancée any 1 could ever ask 4, I just wish we could of made it official & I could of told every 1 u was my husband even though u might has well been. We had been through everything 2 gether so I know we could of made it 4 ever after all the things we over came 2 gether. I love you & miss you so very very much & I always will. Im just glad I have these beautiful boys 2 look at everyday so they can keep our memory of u alive 4 ever. Ill be lovin & missin you like crazy. Youll be in our thoughts everyday!
