“ Dear, Juanita, Alisha, Joel, family and the Clark family. I want to express my sincere condolences and prayers to all of you. Special thanks to Alisha and Joel for sharing with me the stories Randy Stub to meshared with you about me. It is amazing to me that he shared with you our last couple of times we spent together this summer and even discussed me opening up my new title company. Juanita, thanks for telling me the story. It was both humbling and overwhelming to meet all of you for the first time and be greeted with such warmth and affection. It has profoundly affected me. Stub and I enjoyed a special relationship since 7th grade. To know that he shared our many memories and continued to talk about me to you is indeed a unexpected blessing. He was indeed, a gentle giant, and, he WAS smarter than me. I am so thankful that I got to spend a few hours with him this summer at my house. Even though we had not always kept in touch over the years, he always made it a point to reach out to me when he was here. I visited him in Moonsville years ago to jam. Great time! He called to invite me me to jam this summer at the Legion but it was my daughter's Lauren's wedding day. I invited him to come over the following day to jam and somehow I missed him. I truely regret not jamming with him but I will now have eternity to do so because of such a loving Mother and Savior. Alisha, as I said today, I want to be part of Stub's family's lives. I truely believe he would want that to happen. I know he was proud of both of you and I am so impressed by how you have grown into such wonderful adults. He was a good Father! I do have one favor to ask. Is there anyway that I could have a copy of the lyrics you read today? I would like to try to put them to music. If not, I understand. My contact information is 643-0340 at home, email is pat@gosentrytrust.com and cell is 425-4410. PLEASE! If there is anything I can do for any of you call me! I would love to have you over to the lake for a cook out and a pontoon ride and just share stories. I CAN assure you there are some you are not aware of...May the Lord comfort and surround you with his grace and mercy. Pat

“ I knew Randy years ago--played a lot of pool together at Wertz's. He was a great guy who talked so much about his daughter. I hadn't seen him in a few years but will always remember him. To his family-----he cared so much for you and was proud. We talked about our families quite a bit.
