“ From 1993--2001 I was pastor of First Baptist-Anderson and a neighbor to Ray and Jane Precup. They were instrumental in the building in the new First Baptist building at 907 Raible Avenue not far from their home. I will always remember Ray and our several trips to IMI where he would obtain a check for a donation to the building fund. It was a privilege to officiate at the wedding of a grandchild in the new church building as well. My thoughts and prayers are with the family. God Bless. Arlo R. Reichter

“ Ray was a patient of my father and myself for thirty-five years. He started with my father in 1967 and continued with me after my father's death in 1982. I still have in my desk the wonderful note from Mr. Precup thanking and commending both myself and my father for the dental care he had received all those years. It was a very flattering note that made up for some of the sorrow I felt when he stated he would no longer be able to be making the trip from Anderson to Indianapolis. I remember Ray as a very kind, loyal, righteous man. A person whom had great appreciation for the efforts of others and love of life and community. Although it's been a little over four years since I last saw Ray, I still think of him and remember him well. I am thankful to have known Ray and offer my condolences to the family.
