“ I met Becky when Danielle and Nicholas were young because I used to watch them at the day care they went to. Then, several years later, I worked at Applebee's and saw them there often. The world has lost a wonderful woman, my thoughts & prayers are with the DeVaney family during this very hard time.

“ I had the pleasure of working with Becky for many years at Blue Cross and Blue Shield. Becky is truly one of the sweetest people I have ever known. Her love for her family was forever evident in all the pictures and stories she shared with us over the years. I am so sorry for your loss but know you are grateful for such a wonderful wife, mother, and grandmother. How lucky you were to have her in your life. May you find peace in God's promise that we will all be together again. Buddy and Terri Grimm
