

## Rebecca Ann Graham

August 7, 1964 - June 2, 2026

Rebecca Ann “Becky” Graham, 61, passed away peacefully on June 2, 2026, at Community Hospital Anderson.

Becky was born on August 7, 1964, in Anderson, Indiana, where she resided all her life. She graduated from Madison Heights High School and was known for her friendly personality, quick wit, and spirited nature. Becky was a straight shooter who wasn’t afraid to speak her mind, a trait that often brought laughter to those around her.

As a teenager, Becky experienced a life-altering stroke that left her with significant physical challenges. Despite those obstacles, she faced life with determination, resilience, and a spirit all her own. Throughout her life, she built meaningful relationships with family, friends, caregivers, and others whose lives she touched with her warmth, humor, and unmistakable personality.

Becky had a special love for animals, especially cats (Lenny & Benny), and proudly supported the National Wildlife Federation. She was a devoted fan of Elvis Presley and loved listening to classic rock music. Whether enjoying her favorite songs, sharing a joke, or spending time with the people she cared about, Becky found joy in life’s simple pleasures.

Becky is survived by her brother, Danny (Keli) Graham; her sister, Shawn

(David Heaps) Carpenter; her sister-in-law, April Bertram; her aunt, Joyce Bennett; her loving boyfriend, Kevin Retter; and many cherished nieces, nephews, cousins, and friends who will miss her dearly.

She was preceded in death by her beloved mother, Virginia L. Graham; father, Billy K. Graham; and her brothers, Randy Bertram, Ronnie Graham, and Douglas Graham.

Visitation will be held Friday, June 5, 2026, from 9:30 a.m. to 10:30 a.m. at Loose Funeral Homes & Crematory, 200 W. 53rd Street, Anderson, Indiana.

Funeral services will begin at 10:30 a.m. Friday at the funeral home, with Chaplain Rob Mifflin officiating.

Burial will follow at East Maplewood Cemetery in Anderson.

The family would like to thank the many caregivers, friends, and loved ones who supported Becky throughout her life. In keeping with her caring spirit, Becky chose to be an organ donor. Through that final gift, she was able to help others and leave a lasting legacy of hope. Her family takes comfort in knowing that her struggles have ended and that she will be remembered for her strength, her humor, her love of animals and music, and the countless memories she leaves behind.
