

Rella Blanche Redick

March 12, 1932 - October 19, 2022

On October 19th, 2022 we lost the one and only Rella Redick. If you were fortunate enough to know Rella, then you were loved by Rella. Rella leaves behind her beloved husband of 40 years, her loving daughter, who was her partner in crime, a son in law who cherished every moment he had with her, two step daughters, MANY grand and great grandchildren who adored her, best friend to countless people and so many male strippers who lived off of her gratuities.
