“ *Our thoughts and prayers are with Rennae's family. She was such a beautiful and caring lady. She was thoughtful to everyone's needs. There was so much kindness in Rennae, and everyone around her felt it. She will be missed by all the lives she touched. May her family find comfort in knowing that the Lord has called his angel home to suffer no more. Thinking of and praying for the family. Kevin & Patty Lockhart and family.*

“ So sorry to hear this, Rennae was a beautiful person inside and out. I worked with her for many years at Citizens bank! The customers loved her too, they followed her from one branch to another for that was whom they wanted to help them with their banking business. She always had a smile for everyone and raised 3 beautiful kids whom she was so proud of! Johnna, Michele, & David I am so sorry I can't be there for the funeral, I am heading to Florida today for my granddaughters wedding. I will keep you all in my prayers, I know it will be so hard on you kids! She definitely will be missed! Love you all! Mary Gustin

“ Rennae and I were what she called "baseball buddies". We never missed a game that our sons' David and Tom played. We even went to games they weren't involved in. Rennae and I had such wonderful times together. We even had a song that we called "our song" that seemed to play every time we were at the ball park. I will never forget the laughs, tears, and memories we shared. I certainly will miss my dear friend.

“ I worked with Rennae many many years at Citizens/Key. The smile in this photo is exactly the same smile you would get from her every single time you saw her. I never saw her that I did not see that smile. She also had such a calm and soothing voice. While our paths separated many years ago I had spoken with her on the phone over the years and I could always see that smile in her sweet voice. I know your family has lost a wonderful person but I am sure your hearts are bursting with those happy memories you will always carry with you.

I met Renae while watching David play baseball with my son. We continued see each other sporadically over the next 20 years. We went to lunch about a year ago. She was the same loving caring person I always knew. I did not know her older children, but David always greeted me with such respect. He also had that same loving caring demeanor. She raised him well. When she talked about her grandchildren she had a gleam in her eyes. I know you you will all miss her terribly. I have no doubt she is in a pain free body in heaven smiling with our heavenly father.

I knew Rennea from Keybank. Although we never worked at the same branch, we attended many meetings together. Love, love, love this lady. Truly an angel and a true disciple of the Lord. He has found a beautiful place in his kingdom for her. My condolences to all her friends and family.

“ *The world has lost a great Lady. I had the privilege of sitting on the sidelines with her as we watched our boys play high school ball. Never an unkind word crossed her lips as she encouraged all. We love you Rennae. Your legacy lives on in your beloved children and grandchildren whom you adored. It was an honor to count you as a friend! Cathy and Greg*
