“ *Peggy Sue, You've not forgot me, I'm sure. Your dad almost became a part of my life no Feb. 14, 1967, but he didn't see how well be of my outcome. My dad died at 80 years old. My mom died in 2009. It is so sad for us who are still going on each day. I'll feel with you the emptyness. Gary Sheriff*

“ *We are honored and thankful to have been part of your family. Your love and care for my mother, your second wife, Phyllis Ogle Nelson, was a blessing. The shared good times-the laughter, will never be forgotten. I look forward to the day I join you and mother again in Heaven.*
