“ Our minister Jerry Alexander, Colonial UMC had to go out of town at least once-a-month for awhile in relation to his work with Congressman Mike Pence. During those times, somebody needed to fill in--and that would often be Ed. It was always a pleasure having him at our church. He was such a sweet and caring person--and his sermons were always really interesting and inspiring. Our love, prayers, and good thoughts go with you during this difficult time.
