“ I will always remember Sam, He was an inspiration to many of us. His sense of humor was without fault, and he always knew how to perk you up when you were down. Loss isn't an easy thing to get through, But I know that God gets us through it. You all are in my prayers and thoughts. I am fighting for my health right now and can't be there in person, but I am there in heart and spirit.

“ So so sorry! For your loss, I remember when Sam drove stock cars at Sun Valley Speedway. Then became reacquainted with him as he done a lot of Military Memorials at Maplewood where I am groundskeeper. He was a super good friend so I called him on Veterans Day a few years back , And I thanked him for all he endured in his Military life, And would he go to dinner with me. Sam said "John Boy you made my day" We done that for three more years. He is already missed... And I hope Busters OK, And Sam thanks for the memories.....

“ I served as governor of 25-G in 1996-97 with PDG Sam. My husband and I learned to love both Sam and his wife and considered them as a brother and sister. While we had not seen him in several years we still felt close to him. God bless. He will be missed. Jeri Seely
