“ *I just wanted to take a moment to send my condolences to Breanna Johnson. As an old friend of mine, she has been thru a lot recently and I send her love and support from Florida. She has been thru so much with her mom passing, and now her grandmother I'm sure it has to be so hard for her!!!! Just wanted to let her kno I care and I hope her and Kaelynn are coping!*

“ *I am very sorry for your loss. You have been through a lot in the past year and a half with the unexpected passing of Amy and now Rhonda. They are together again, along with other loved ones. Keep your memories close and look back on them often. In my thoughts, Waneta.*

“ I'm thinking of all of you. Can't believe aunt Rhonda's gone. I hope she is at peace. Do you think she and Amy are hangin' out together? Probably already had an argument or 2. That's just how this family shows love. Wouldn't change it for anything. I love all of you!!

“ Kelly, you are absolutely right I'm sure ; She is probably yelling at dad too. Aunt Rhonda was pretty straight forward with her feelings. My mom said that I look like your mom and that I act like aunt Rhonda. I love her so much and I hate that this happened but she isn't miserable anymore. I am going to miss her soooo much!
