“ I started helping take care of Rhonda over 2 years ago. Every morning I'd walk in her room and ask how she was doing, she would always answer with a smile and say "I'm peachy!" We became great friends. She was a good listener and a lot of fun to be around. Rhonda was very a grateful person. She always said thank you and was pleasant even when she wasn't feeling well. Rhonda loved her family so much. She would beam when she talked about her daughter, son in law and especially her granddaughter. We also talked about our faith. She believed in Jesus and knew he died on the cross for her sins. She talked about being able to walk again. I know Rhonda is in heaven walking , maybe even running. I'm a better person for having Rhonda in my life. Love, Sherry

“ Rhonda was always so nice to me every time I would see her. She made me laugh and gave me a hard time about being married to Sticka. She was an amazing woman. Our thoughts and prayers are with her family and friends during this time.

“ Rhonda was a dear friend & co-worker at the USPS. We talked a lot of things that were on our minds & helped each other to cope. She was always there for me! She has had a rough life since retiring but she is dancing in the streets of heaven today! I miss you already, Ronda! You are loved!
