“ We were saddened to hear of Rhonda's passing. What a cheery person to be around. Rhonda and I knew each other from high school but were reacquainted working for the county. I know my brother and sister-in-law, Bob and Janet McCormick, would want to extend their sympathies to the family. Carol McCormick Hodges Bob and Janet McCormick

“ We were first acquainted with Rhonda's parents when we attended church with them in Anderson in the early 70's, and then we met Rhonda. We moved a few different places during the years and lost touch. Last year in Anderson, I Marciasaw her after an evening service at the Convention in June. We spent quite a few minutes catching up and I'm so very glad we got a chance to talk. I was just thinking about her the other day and hoping I would run into her again next month at the Convention; that is not to be, but I'm sure Rhonda is in a much better place and getting reacquainted with friends and family who have gone before her. Our prayers are with you as you go through this time of loss. Love & Prayers, Paul & Marcia Lund

“ Dear Family, We grieve with you today and wish we could be there to give you a hug and let you know how much we care. As I wrote in a card I sent to Rhonda Saturday which she never received, your family has played a special part in our lives. We remember fondly the many times we shared meals and holidays with all of you. You opened your home and hearts to us. Rhonda prepared many Sunday meals for us and watched Kristen when we went to the hospital to have Eric. We also remember your special visit when you came to Virginia to see us. Even though in recent years we have lost contact, these memories are embedded in our lives and hearts. Rhonda was truly a beautiful person, loving daughter, wife and mother, and she will be missed. We anticipate the day when we can be joined again with her in God's glorious heaven. Please know that our thoughts and prayers go out to you as you mourn her loss and work through the grief in the coming days. We love you dearly. God bless you with His peace and uphold you with His mighty power. Love and prayers, Ralph & Beverly

*“ My heartfelt sympathy to Rhonda's family. Having grown up on Valley Grove Road, I was acquainted with your family. Over the years, my paths would cross with Rhonda. One special time was a trip the Highland Band made to Disney World and then a cruise to the Bahamas. Rhonda and I were parent chaperones and shared our adventure. We had a wonderful time and Rhonda was so much fun and a joy to be with! At a chance meeting at a restaurant a couple of months ago, I enjoyed chatting with Rhonda and appreciated her uplifting spirit and friendly smile. Rhonda had a marvelous gift of making you feel better for having talked with her. My thoughts and prayers are with you. Cathy*

“ To the children and family of Rhonda, my heart goes out to you in your time of sorrow. I pray that God gives you strength to make it through these trying times. Just know that your mother is at peace with the Lord now, and she loved you more than anything. She also talked well of all of you, and I am glad that she was apart of my life for as long as she was. She encouraged me to keep going, just like I was one of her own, and for that I will always be grateful. Your mother was a joy to work with and I thank God for her. If you need anything at all dont hesitate to call. love you all. Jacinta
