“ Thank you for a lifetime of memories Rick. As kids we laughed & cried, played fought and grew up together.

*You now join the military people of our family. Dad was 21 year Air Force, Don was a Marine (6 month POW Vietnam), David served in the Navy, you were Army & Mom served alongside each of you. That life was not for me but I admire, respect and proudly salute each of you!*

*I have one more thing to tell you and that is we have an older sister. He name is Julie and she lives in Mexico with her family. Please believe me when I say that she & her family are as big a Blessing to me (and the Rampenthal family) as anything I have ever received in my life. When we are all together again you'll meet them and understand, til then I love you Rick.*
