“ We will miss Dick so much. He always gave a smile and was so enjoyable to be around. Our hearts sink for family and friends here on earth who won't be able to experience his love and kindness any longer. We will remember him fondly and keep him in our hearts forever.

“ Barb and family - Dick was such a wonderful neighbor and friend. We always looked to see if he was sitting at the table in the garage watching NASCAR when we went by. We are sad to know he won't be sitting there, but we will always think of him. We know this is a big loss for all of you, including Baby. He was a great guy and we will miss him. Welove you all. “ To the Fort Family, I worked for Dick @ Mofab. Not only was he a great boss, but I considered him a good friend. He always had a joke to share. No matter what was going on in the business or his life - he always had time to listen. He was a straight up man, right or wrong and will be sorely missed. It was a joy to know him and he will me sorely missed. Our prayers are with you and your family.
