“ I believe Dick was a 1st or 2nd cousin to my Mother, Mable Jenkins Hlcks. I have many memories of your father and his twin brother that often attended the Anderson Camp meetings. We also visited in Terra Haute at least once a year visiting all the relative. I have often wondered if any of them are still living. I especially remember the Harvey family, Ethel Blunk, Bill Blunk, Aunt Sarah and others. If you would be so inclined and know about these people I'd love to hear from you.

“ Though we all can't be there for support during this difficult time, you are in our thoughts and prayers. Seeing Uncle Dick's picture brings back the memories of many summer vacations when Dad his twin would take us out to visit the ?Harvey Clan? in Indiana.

“ Gloria and the rest of our family. I am sorry I am so far away. I moved 2 months ago. I will always remember all the times with you at your home and the fun we used to have together. Gloria, we have lost most of our family this year. It has been a hard year and only time will heal the emptiness. Give everyone my love and sympathy. Love to you, Judi

“ To those relatives I've met, the many that I haven't and friends of the family, may time heal the pain and leave only wonderful memories!! Seeing Uncle Dick's picture brings back wonderful memories of his twin, my grandfather. May a picture do the same for you. Though I can't be there, know that you are all in my thoughts.
