“ *I will miss his humor and the way he accepted me into the family with Grandpa Walter. I loved the way he would grin before he delivered his joke which was always a give away! I love that he visited me in the hospital but he was an admitted patient too and just took the stairs down a floor to visit me in his hospital gown! He created quite a reaction ! That was Uncle Richard!!! We are so sorry for his passing but so grateful that he no longer suffers. love to the family, Edie & John*
