“ jeecRick, Lisa, Linda, and families, Nancy called us to tell us of your Dads passing. We were saddened to hear that news. We remember Dick, your Mother and all of you with fond memories. Soap box races for one. Our Grandson used Nancy's wheels in a science project. We did not see each other that often, but your parents always made us feel welcome in their home. Our thought and prayers are with your at this time. Jane and Erniest Clashman jeec49@hotmail.com
