I remember my Uncle having a smile that was contagious. His Joy and passion for life filled the room. He loved his family and his family shared that same devotion. I loved playing cards with him and listening to his stories. We will miss you!

“ He was my oldest brother. A fine example of a good man who loved the land, his wife Jan and his boys very much. He also loved his dogs. I will miss talking with him and remember him and his voice forever.

Love, Your Sister Betty
