“ I pour out my heart in deepest sympathy and pray the Lord will give Peace and comfort to Ricks family and friends. He has touched so many lives and will continue to do so as we remember all the wonderful memories we have all shared. Rick was more than just our friend, he was my horse buddy and I find Peace in knowing he is taking care of the Lords horses now. May you all, family and friends, seek the Lord for comfort in your time of sorrow. You?re in our prayers.

“ Tammy, Phyllis and All of Ricks Family, We are so deeply saddened and shocked of the reality for you and your family and our whole town for the loss of Rick. Rick was a great guy, always willing to help if he could and knew you needed it. I will never forget all of the times he has helped my parents with things that he could fix or check for them just because he knew they needed it fixed or they were looking for someone that could fix it. All the little things that he has done for people that were BIG things to us. I will always be glad to be able to say Rick was a good friend to me and my family. My Mom and Rick worked together for more than 35 years she thought of him like a son and corrected him like one if he needed it I have known him all my life, worked with him also for almost 14 years and feel so very priveleged to say that he was a friend. Our Town does not have a clue what we have lost. We are so deeply sorry for your loss. We will miss him greatly. With Heavy Hearts Our Sincerest Condolences Dixie and Mark Sturgeon
