“ Though it is 8 years later, I am only just now finding this. Everyone else called him Ziggy. Once I knew he had a PhD, I called him "Doc." I cashier for Meijer, where Doc and Pauline were regular customers of mine. They always had a kind word for me, and I thought the world of them. Though it is late, I offer my condolences to the Ziegler family. He was truly a great man.

“ Grandpa, you had to of been one of the world's greatest Grandpa's! Harley always thought the world of you and always will! Tori and Bailey loved you to pieces! I'll never forget how you always called me and Tori "your girls"! We love you and are so happy you've made it home to Grandma Pauline! xoxo Love, Edie
