“ Mrs. Smith was one of my teachers at Northside Middle School. I have always remembered her to be a kind, wonderful teacher. I was given the opportunity to reconnect with her years after and she was just so sweet. I was deeply saddened to hear of her passing. Such a wonderful person. My thoughts and prayers go out to your family. She will be greatly missed.

“ Ted, Ashley, and Chelsea, your wife ,mother, and grandmother was one of a kind. Very kind, gentle and reassuring to students. Understanding of fellow older teachers and a great example of a positive attitude when dealing with the younger generations. While on the staff at North Side Middle School. I only saw her sad on one day, and that was when the family's dog Brutus died. On my last day of school before retirement, she stopped by to say goodbye. While it was an awkward situation for me being elated, she was generally sad that it was like two friends parting and going there separate ways. Fortunately, for me because of her interests and the White Sox . We were able to meet her daughters and all ways had positive and informative conversations. We are sadden by her death and our prayers and thoughts are extended to your family.

“ I worked at Northside Middle School with Rita, late 1980's and early 1990's. One year she invited my family and I to the 500 Parade, Indianapolis. We followed Rita, Rita's mother and her daughters. The daughters were in the back of their station wagon. I was making the Vulcan sign with my fingers, the way Spock does on Star Trek. The daughters were having fun trying to make the Vulcan sign with their fingers.

We finally got there and watched the parade. It was a hot day. My daughter was around a year old. We enjoyed the parade! When we left we were supposed to meet at the McDonald's on Fall Creek Blvd, but when we left, Rita and her family got out right away and we got stuck in a traffic jam. By the time we got to McDonald's, they were long gone. That evening, at home, we watched the parade on television setting on our comfy sofa! It was neat to watch it on television after just being there a few hours earlier.

What a great time and good memory. We will miss you.

Her love was genuine and her enthusiasm was infectious. She was courageously faithful and in Christ has found her complete healing. “ I taught three years with Rita at North Side Middle School! I enjoyed being on a 7th Grade Team with her and sharing stories about her daughters and our families! Over the last 25 years or so, I would continue to see her several times; especially, when she was out and about with her small group of "retired" friends! I will miss her beautiful smile and fun laughter and being able to share the memories of teaching and our families!

God Bless her family and friends during this difficult time! So sorry for your loss.

Heaven gained a wonderful angel!!! I will miss you ~ Rita!!!

“ *I had the privilege to work with this sweet awesome woman ❤️ From the moment I met her in 2013 I loved her. I felt as though I had known her forever and Her smile just lit up a room. We always had so much fun together and would just look at each other and laugh. I never heard her say an unkind word about anyone and Her excitement about being a Grandma was just precious. She will be missed by so many and my heart is truly broken. So happy she is at peace.*

“ *My deepest condolences To the Smith family and close friends/ School co workers and church members. I was VERY fortunate to have Mrs Smith in 7th grade for one semester! I had just moved back to my mom's from Oak Hill school. She WAS AMAZING ❤️😍
💖💖😍💖 She also lived on the same street as my mom. My sister Bridgette and I use to go down to their house to play with her daughters! We have lost touch after all these years but Bridgette's husbands (Brett) mom (Kathy) was also a teacher at North side (8th grade) and they still kept in touch. She was just a great lady and oh so sweet. My prayers are with you all. 🙏🏠💖🤔🙏🏠*

“ I am just heart broken , I have enjoyed Rita every since the day she became my teacher in 7th grade. She knew I was going through tough times and was always there to listen and offer guidance . Then as I became an adult and had Reece , Rita would read to her and spoil her and Madison Christian church when she was a toddler . Every time I would run into her somewhere she always had a smile and asked me how I was doing and then wanted to hear about Reece . She would tell me how she followed her sports in the newspaper and was so proud of her . Rest easy my friend . You surely will be missed .

“ What a wonderful lady and teacher. Our daughter painted her a picture many years ago during her first battle with cancer and about 7 months ago we saw Rita who informed us that she still had that picture. This brightened not only our day but the small on Rita face was priceless seeing a former student who cared so much. God bless and peace be with you all.
