“ Ruth and I wish to express our deepest sympathy to the friends and family of Bob Alfieri. We knew Bob while attending the North Anderson Church of God before retiring and moving to Henderson, Nevada July 1998. We learned to love and appreciate his sincerity as a "Christian" man. He will be greatly missed not only by his church family, but by his family and friends wherever he walked.

“ I was so impressed that Bob knew who I was. I don't have to deal with the sales staff, but he knew my name and always asked me how I was doing. I wonder if he knew how special it made me feel. Thank you, Bob. We will miss you.

“ Bob so touched the lives of the people he worked with. When Bob came into the office he was always funny and interesting to talk to. He always had a story or something to tell you. The outpouring from both fellow employees and the number of customers who have called me to find out what they could do to help has been phenomenal, that's how much Bob meant to people. I hope it helps ease some of your pain to know how much Bob was loved and respected. We will all miss him greatly.

“ We are deeply saddened to learn of Bob's passing, but are comforted that he is safely in God's care. We know he embraced life with the same joy in which he served the Lord, and we loved him for it. May God hold the entire family close during this difficult time and allow you to feel the warmth of the great memories Bob leaves behind.

“ Bob was a great encouragement! Last year our family relocated to Indiana from California. Bob along with the HP team was there for the greeting. In our many conversations since, Bob always made sure we were doing O.K., even keeping a watch out for a house our family could settle into. You did not have to know Bob long before his faith in Jesus Christ was shared. We had many great conversations! Bob's faith must be a wonderful comfort to your family during this time! “ I worked with Bob at HP Products since his arrival. In fact, I gave he and the rest of the Duo people their first tour of the HP facility. I worked trade shows with Bob and was his source of product information. The memory that I will keep with me is Bob's attitude. He was always a gentleman who took great pride in his work. He will be missed.

“ Pauletta, I may have died, But, I am not gone. When you look at the ground, You will see my footprints. When you look at old photos, My eyes look at yours. When the wind whispers, You are hearing my voice. When your eyes brim with tears, It's me tugging your heart. "Never forget," I whisper... I may not be alive today, But in your heart, I still live.... Remember me, Robert Pauletta, I am so sad...I'll miss his smile and the kindness he and you always showed me when y'all came into the Cracker Barrel. Bonnie

“ You have my sincerest sympathies. Due to recent lost in my family, I find it hard to attend memorials because I get to emotional and I don't want to make it any harder than it is by crying. I want you to know that you and your family are in my thoughts and prayers. God give you the strength to get thru this. Bob will be sorely missed by everyone. “ Dear Family, I am so sorry for your sudden loss of a wonderful man. I have known Bob Alf for many years thanks to DUO Suppy. I grew up there My dad is Jim Clark by the way. Bob was always an up-beat part of our days. It came as quite a shock when I heard the news. “ How can one even begin to decribe the tremendous loss that we feel? Bob was a wonderful co-worker and friend. He was always so caring of others, always so eager to lend an ear. Bob always spoke of the love he had for Pauletta, his children and grandchildren. He spoke about life with bright eyes, always seeing the good in everything. He loved life. If He had a bad day, it never showed. He was such a wonderful Father figure to many of us at HP. He will be so greatly missed. I will miss his smile so very much. Will forever be in our hearts. My thoughts and prayers to the family. Sincerely,

“ *A Note About Bob: Bob was one of the Dearest People, and a Wonderful Person to work with. I work at H P Products the company Bob worked with. He always had a kind word and was never demanding. When he needed help with something, he would ask if you could help him and always made a point of telling you that he appreciated anything you had done for him. If something went wrong, he never laid blame, just wanted to know how to go about fixing it. Recently, Bob found out that I was going through a rough spot emotionally. He made a point of calling and letting me know that He and His Wife Paulette were good listeners if I needed to talk to someone. And if I needed anything to let him know. That was the type of Wonderful Man Bob was. He will be Greatly Missed.*
