KA

“ Grandpa loved us very much and enjoyed teasing and joking with us as small kids. He would buy chocolate milk when he knew we were coming over, which was a treat. I shot my first BB gun with him. He used to say Brush your teeth every night or all your teeth will fall out and then pop his lower dentures out, just for fun. He loves children and I loved his big grandpa hugs as a small child. I can still smell his odor of cigarettes and aftershave, he smelled of when i was small.

RIP... I love you, Grandpa Dickey
