“ I just wanted to tell the family I truly wish I could have come to be with all of you but unfortunately I was unable to. I know Uncle Bobby will be missed and I want you to know my thoughts and prayers are with you all. I love you and you are in my prayers.

“ Dear Maxine, Darwin, and family: I want to express my sympathy to you all in the passing of Bob. When he and I met, I found him to be very congenial and always with a smile. I enjoyed being around Bob as he and I talked sports. He was a very active fan of PHHS sports. I know all of you will have fond memories of him. Darwin, I will never forget the day I found you in the bathroom of PHHS crying and we talked. You said Bob Dad wouldn't buy you a motorcycle. Aren't you glad he said "NO"! Those things are very dangerous and people ride them without helmets and zig in/out of traffic. The State Law ought to change and make it mandatory to wear helmets. I'm glad you weren't allowed to get one back then ! Again, my sympathy to all of you. Bob was a fun, energetic, and lovable man. God Bless. Steve Cherry 335 So. “ I am the son of John Ingram, Bob's mother, Ruth's brother. I have many fond memories of visiting Bob and all his brothers in Orestes. Bob always paid attention to his younger cousin, and took me fishing. Also, bob and chuck took me roller skating for the first time in my life, and I was hooked. Our prayers are with all of you and may God comfort you in your time of sorrow. Isaiah 26:3, it is written, "Thou shalt keep in perfect peace whose mind is staid on Him." I Peter 5:7, "Cast all your care on Him for he cares for you."

“ Bob always got a kick out of Brad telling me his Dad howled at the moon. Now Bob can howl at it from the top side. May the angels in heaven know they have a wonderful fun loving caring man among them now. Even though their gain is our loss, he is in our savior's arms and at peace now. He will be sorely missed by me and my family. All my love to Maxine and all his children.
