“ *Uncle Bob, You were always a source of inspiration and encouragement to me. When we last spoke, you told me to be a good boy. I shall endeavor to be just that. You will be missed.*

“ *Our sympathies to the family of Bob. Judi is a member of the same church as we are and a member of our "family". Joina has known Bob for over 50 years. He was a good friend of her parents years ago. There are a lot of fond memories of that time. We hope that Judi and the rest of the family know that if they need anything, or we can do anything for them, please just let us know. We love you all, especially Judi, our "Sis". Love, Ed and Jo Childs*

“ *Judi: Kay and I wanted to express our sorrow of the passing of Bob. While he was on the police department and I was in the prosecutor's office we worked many cases together. Though I have not had contact with him recently we will never forget him. The last time we saw you I was thinking that you had indicated that you were having some health problems of your own. I hope you are doing better. If there is anything that Kay and I can do for you please just give us a call. Love, Dick & Kay Kreegar*

“ *Never a day goes by that I don't use the wisdom and odd sayings my dad shared and said. He always ended our conversations with "You be good now" a left over from my teenage years. There are no words that can describe the grief and sadness felt by all of us who loved him. He was our pillar of strength and we will miss him forever.*

“ *Bob was easy to like. He had a way of making a person feel that he was genuinely interested in every word they spoke. A person liked themselves better after being in Bob's company. He will be missed.*
