“ I just found out today that Bob went to be with the Lord in March. I really like Bob and his sense of humor. He and Julie are very special people and I send prayers and much love to the family. We have been neighbors for years, but got completely out of touch. Our children attended school together. Julie used to cut my hair, my how time goes by. It seems like that is the way life is - passes by fast.

“ Julie, I,m so sorry to get the news about Eugene. The good news is that we are assured through God's word that those that believe in Him will be with Him. So I know that some day we will see him again. Then it won't be for just a few years, but for eterity. We will keep you and the girls in our prayers. Eugene will be missed by us all. He brought lots of joy to me through childhood years and in later years through a couple dogs he gave to James. Again, We are sorry for the loss but thankful that we will see him again.
