“ Dear Johnson Family,

I was so sorry to hear about your dad's passing. I have such fond memories of him and your mom, too. When we moved into the neighborhood back in the late 60's, your family was the first one we befriended. Janet and I spent a lot of time with your family, Janet and Joan were best friends early on and Dan was in my class at Anderson. My parents and your parents became friends and that friendship continued long after we all moved away. One of the best memories I have is the time Janet and I decided to throw our parents a surprise 25th wedding anniversary party in 1973. We had to buy supplies, but couldn't keep them at the house so your mom and dad told us to bring them to your house! While my parents were at dinner, your mom and dad helped us get ready for the party (of course, they were invited!) Thanks to them, we were able to pull off the party and my mom and dad were completely surprised!

I was able to find a couple of pictures that I thought I would share. One is from my mom and dad's 50th wedding anniversary party at the Anderson Country Club. The picture is from 1998 and Frank and Nancy Lindley are also in the picture as they had been our next door neighbors and knew your parents as well. The other picture is from my parents' 55th anniversary party in 2003 - I thought it was a good picture of them.

May God give you strength, peace and comfort and may the love of family and friends lift you up during this difficult time.

Love,
Your old neighbor,
Elaine McFadden Harvat

“ *Family,*

We moved to Melrose Drive in 1967 and have fond memories of our time there. That is when we met the Johnson clan and then enjoyed 22 years of their friendship.

Marge and I moved to Ohio in 2011 to be close to Elaine and Janet and we continued to exchange Christmas Cards for several years. Marge passed away in 2013 and I have the support of my daughters which has been great.

I am sorry for your loss and I know you will miss him. Bob was a great guy.
