“ Dear Mary Margaret and family, I didn't know of Bob's passing until today. I remember him as a very nice man. Mother always thought alot of you and I just wanted to offer my condolences to you, the girls & Tim. They may not remember me but we were together several times as children. I was just with Kathy at Eric's funeral. Take care of each other. We'll all be together again someday at that great family reunion. Love-Peggy
